Perfect for hiking or general wear on the farm—the Highlander is tough with CushionCore technology, Coolmax lining and water resistant leather.

- Revolutionary world-first CushionCore comfort technology combines two compounds of PU injected into the midsole providing superior shock absorption at the heel while also providing rebound at the forefront as you step
- Padded collar and tongue
- Super cushioning Comf2Bull airflow footbed of soft PU that's also antibacterial and washable
- TPU outsole with aggressive self-clearing tread pattern providing superior grip, stability and abrasion resistance
- Coolmax® lining fabric helps transport moisture away from your foot, through the fabric, where it can evaporate quickly
- Scratchguard toe leather protection

PU - Polyurethane | TPU - Thermoplastic Polyurethane
