SIZE: 5-14

STEEL
TOE CAP

PENETRATION
RESISTANT

A no-nonsense boot. Durable yet comfortable, they're perfect for tough conditions. The rubber soles will stand up to extreme heat and are cut and penetration resistant.

- L-Protection® non-metallic penetration resistant insoles resist penetration even by small diameter nails and other objects. Provides optimum penetration resistance over the entire sole whilst still allowing maximum flexibility and lightweight comfort
- Fully lined with padded collar and tongue
- Scratchguard for added durability and extra reinforcement
- TPU Toe guard for added durability and extra reinforcement
- Dual density PU midsole/nitrile rubber outsole
- 5mm deep tread expels foreign materials and resists clogging
- Rubber outsole increases cut and slip resistance and is resistant to hydrolysis and microbial attack
- Broad fitting 200 Joule impact resistant Type 1 steel toe cap
- Comf2Bull footbed which is a soft PU with gel inserts at the high impact strike points

PU - Polyurethane | TPU - Thermoplastic Polyurethane
EVA - Ethel Vinyl Acetate | PUR - Polyurethane Rubber

Refer to our website for further details of the 30 day comfort guarantee and the manufacturer's 6 month warranty.
